Course Description and Schedule

Students complete a 130-hour practicum with a human service organization or with an individual/family identified as providing opportunities for developing skills foundational to Community Rehabilitation practice. Practicum is contracted between the student, the instructor/practicum supervisor, and a site supervisor in the human service organization or with/for the individual/family member.

In addition to 130 hours spent in practicum, students will attend tutorials. These are 100 minutes in duration and will be held approximately every 2nd Monday at 4:30 pm. Tutorials combine discussions of human services practice and theory with student presentations.

Tutorial Schedule: (tentative)

- Monday January 9 – Intro to course/Discussion of placements
- Monday January 23– Organizational Culture
- Monday February 6 – Quality of life
- Monday February 27 – Professional and ethical issues for quality of life
- Monday March 19 - Student led discussions
- Monday April 2 – Student led discussions
- Monday April 9– Student led discussion

Details of Assignments

Student grades are based on the following components:

1. Practicum Contract

You are required to complete a practicum contract within the first 20 hours of your placement. This contract will help identify personal and professional expectations for your practicum and will guide the site supervisor and the practicum supervisor in evaluating your practicum performance.

Value = 10%
Due February 6, 2012
(unless otherwise discussed with practicum supervisor)

2. Practicum Evaluation – (Midterm and Final)

You will be evaluated by your identified site supervisor (as per your practicum contract) after completion of 65 hours (midterm) and again after completion of the total hours (130hours). The evaluation will be based on three categories:

- **Professional and ethical conduct**

- **Personal growth and goal achievement (as identified in practicum contract)**
- **Overall performance (final evaluation only)**
