

BCR STUDENT PLANNER November 2009

To attain the BCR degree, 20 half courses must be completed (Note: a half course at the University of Calgary is a one-semester course designated with an odd number, while a full course is even-numbered and spreads over two semesters).

Note: For courses taken at any institution other than the University of Calgary, you **must** apply for a **Letter of Permission (LOP)** on Peoplesoft through the www.ucalgary.ca website. Without a **LOP**, you will not receive credit for your coursework. Further, when your course is completed, it is **your responsibility** to see that a transcript is sent to the University of Calgary Registrar's Office so that you will receive credit towards your degree for that course. To discuss your program and course options contact the **Student Advisor: Beth Parrott at 220-2271.**

BCR CORE COURSES (8 HALF COURSES) REQUIRED – First 6 listed required by all students both on-campus and distance and two required of the 589 series.

CORE 415	Rehabilitation Management
CORE 425	New Psychologies of Disability
CORE 569	Emotional Disturbance Related to Disability
CORE 573	Disability and the Law
CORE 581	Professional Ethics in Community Rehabilitation
CORE 583	Community Development in Community Rehabilitation
CORE 589.01	Development of Services and Programs – Practicum (on-campus students)
CORE 589.02	Supervision in Community Practice – Practicum (on-campus students)
CORE 589.03 (COL)	Advanced Practice in Community Rehabilitation: Reflective Practice

Note: COL = Community of Learners – Distance Campus Courses

INTERDISCIPLINARY COURSES (12 HALF COURSES)

Note: The following courses listed are examples; other relevant courses will require program authorization. Please contact the designated faculty for registration details.

I. SENIOR COMMUNITY REHABILITATION OPTION COURSES - students must take the equivalent of two (2) half courses, examples as follows: (Note: not all courses listed are offered every year)

ACWR 303	Academic Writing (web-based)
CORE 471	Community Rehab. Practice for Children with Special Needs & Their Families
CORE 473	Community Practice in Career Development and Disability
CORE 475	Community Rehabilitation Practice and the Aging Process
CORE 535.01	Inclusive Education: Adapting Curriculum and Instruction K – 12 (July)
CORE 535.02	Inclusive Education: Current Issues in Ethics and Management (July)
CORE 535.03	Inclusive Education: Addressing Challenging Behaviors in the Classroom (July)
CORE 541	Special Topics Intl Disability Research & Policy (web-based)
CORE 591.02	Integrating Arts into Rehabilitation (Spring)
CORE 591.26	Bioethics and Disability (web-based)
CORE 591.28	Health Research, Emerging Technologies and Marginalized Groups (web-based)
CORE 591.30	Understanding Children with Autism Spectrum Disorders (web based)
CORE 591.33	Social Role Valorization
CORE 591.35	Introduction to Assessment, Planning, and Intervention in Community Rehab (web-based)

ATHABASCA UNIVERSITY (Senior Rehabilitation options)

EDPY 351	Introduction to Exceptional Children
INST 357	Contemporary Aboriginal Issues in Canada
INST 358	Aboriginal Women in Canadian Contemporary Society
PSYC 381	The Psychology of Adult Development
PSYC 389	Learning Disabilities: Issues and Interventions

SOCI 329	Aging and You (I): An Introduction to Gerontology
SOCI 330	Aging and You (II): Gerontology to Gerontology

II. HEALTH, HUMAN PHYSIOLOGY AND DISABILITY (students must take a total of four (4) half courses and both Anatomy/Physiology must be covered in either one or two courses) examples as follows:

UNIVERSITY OF CALGARY

BIOL 305	The Human Organism (covers both A & P) only offered weekends or spring term
CORE 591.26	Bioethics and Disability (web-based)
591/42 FAS	
CORE 591.28	Health Research, Emerging Technologies and Marginalized Groups (web-based)
CORE 591.30	Understanding Children with Autism Spectrum Disorders (web based)
CORE 591.34	Health Foundations across the Lifespan (formerly 301's) (web-based)
CORE 591.42	Fetal Alcohol Syndrome
ECON 379	The Economics of Health (consent required)
GRST 211	The Technical Terms of Medicine and the Life Sciences
HSOC 201	Introduction to Health and Society
HSOC 301	Determinants of Health (consent required or HSOC 201)
HSOC 311	Health Services and Health systems (HSOC 201)
KNES 251	Introduction to Motor Control and Learning (can be used as Physiology requirement)
KNES 253	Introduction to Exercise and Sport Psychology
KNES 261	Human Anatomy (consent of faculty) (Credit not allowed for both BIOL 305 and KNES 261)
KNES 263	Quantitative Biomechanics (prerequisite MATH 30 or 31 and KNES 261 – engineering emphasis)
KNES 330	Flexibility and Relaxation Techniques (prerequisite KNES 261)
KNES 339	Natural Environments, Wellness, and Health
KNES 353	Neural Basis of Human Movement (prerequisite KNES 251) (can be used as Physiology requirement)
KNES 355	Human Growth and Development (prerequisites KNES 261 and ZOO 361 and co-requisite ZOO 363)
KNES 367	Adapted Physical Activity (prerequisite KNES 261)
KNES 369	Physical Activity, Health, and Aging (prerequisite KNES 355)
KNES 397	Health and Exercise Psychology (prerequisite KNES 253)
KNES 433	Health and Physical Activity (prerequisites ZOO 361 and 363)
PHIL 313	Bioethics
PSYC 375	Brain and Human Behavior (PSYC 205 or equivalent)
SOCI 321	Medical Sociology (consent of department)
WMST 321	Women & Health

ATHABASCA UNIVERSITY (Health, Human Physiology, and Disability options)

BIOL 230	Human Physiology (counts as 2 courses but need to take anatomy course as well)
BIOL 235	Human Anatomy and Physiology (counts as 2 courses)
BIOL 341	Human Genetics
ECON 321	Economics of Health Care
HADM 315	Health and Community Development
HADM 326	Health Issues: Health and Healing
HADM 336	Community Health Planning
HADM 339	Organization of Canadian Health Care
HADM 369	Health Policy in Canada
HADM 379	Introduction to Epidemiology
HADM 400	Health Care Law
HLST 301	Alternative Therapies
HLST 320	Teaching & Learning for Health Professionals
NUTR 331	Nutrition for Health
NUTR 405	Nutrition in Health and Disease
PSYC 402	Biological Psychology
SOSC 378	Human Sexuality

DOUGLAS COLLEGE (Health Options)

BIOL 1103	Human Anatomy and Physiology I (formerly BIOL 103)
BIOL 1105	Human Anatomy and Physiology (formerly BIOL 105)
BIOL 1110	Principles of Biology: The Biosphere (formerly BIOL 110)
BIOL 1203	Human Anatomy and Physiology II (formerly BIOL 203)
BIOL 1209	A & P II Human Anatomy and Physiology II (formerly BIOL 209)
BIOL 1210	Principles of Biology: The Organism (formerly BIOL 210)
SOCI 2280	Sociology of Health and Illness (formerly 280)
SPSC 1163	Biodynamics of Physical Activity (formerly SPSC 163)
SPSC 1192	Topics in Human Nutrition (formerly SPSC 192)
SPSC 2252	Contemporary Health Issues (formerly SPSC 252)
SPSC 2362	Adapted Physical Activity (formerly SPSC 362)
SPSYC 2231	Sport and Exercise Psychology
SPSYC 3304	Health Psychology
SPSYC 2315	Biological Bases of Behaviour

GRANT MACEWAN COLLEGE (Health, Human Physiology and Disability options)

BIOL 101	Biology of Human Concern
HLST 300	Teaching and Learning for Health Professionals
PEDS 102	Human Physiology (full credit)
PEDS 391	Scientific Basis of Human Movement
PSYC 275	Brain and Behavior
HLSC 120	Human Anatomy

MOUNT ROYAL COLLEGE (Health, Human Physiology and Disability options)**Both anatomy and physiology must be taken**

BIOL 1214	Human Anatomy (must take Physiology as well)
BIOL 1216	Human Physiology (must take Anatomy as well)
BIOL 1220	Anatomy and Physiology I (needs to be taken with 1221)
BIOL 1221	Anatomy and Physiology II (needs to be taken with 1220)
BIOL 3305	Anatomy & Physiology
CLAS 2211	The Technical Terms of Medicine and the Life Sciences
PHED 1224	Human Anatomy (need physiology course as well)
PHED 3367	Adapted Physical Activity
PSYC 3319	Psychology of Death and Dying
PSYC 3375	Brain and Behavior
WMST 3321	Women & Health

RED DEER COLLEGE (Health, Human Physiology and Disability options)

KNSS 200	Structural Anatomy (must also take a physiology course)
KNSS 201	Biomechanics
KNSS 240	Adapted P.E.
PSIO 262	Elementary physiology (counts as two options, must also take anatomy)
PSYC 367	Human Sexual Behavior
PSYC 375	Brain and Behavior
SOCI 301	Sociology of Gender and Sexuality
SOCI 374	Social Organization and Health Care

III. SENIOR SOCIAL SCIENCES (Students must take four (4) half courses, examples as follows):

(*Students interested in pursuing graduate degrees after the BCR may need courses in research and statistics)

Any 400 or 500 Level CORE course can be used as a senior social science option.

UNIVERSITY OF CALGARY

APSY 301	Statistics in Applied Psychology and Education I
APSY 303	Statistics in Applied Psychology and Education II
CNST 311	Native Peoples of the Canadian Plains
CNST 361	Gender, Race, Ethnicity in Canada
CNST 417	Native Culture and Heritage: Critical Issues
CORE 535.01	Adapting Instruction in Elementary and Secondary Classrooms
CORE 535.02	Current Issues in Collaboration, Ethics, Management, and Related Topics
CORE 535.03	Addressing Challenging Behaviors in the Classroom
CORE 591.02	Integrating Arts into Rehabilitation (spring)

CORE 591.28	Health Research, Emerging Technologies and Marginalized Groups (web-based)
CORE 591.30	Understanding Children with Autism Spectrum Disorders (web based)
CORE 591.33	Social Role Valorization
CORE 591.35	Introduction to Assessment, Planning, and Intervention in Community Rehab (web based)
CORE 541	Special Topics International Disability Research & Policy (web based)
COMS 483	Introduction to Public Relations (consent of department)
DEST 375	Gender and Development
DEST 393	Theory and Application Development (DEST 201 or consent)
DEST 485	International and Interdisciplinary Cultural Communication
EVDS 533	Introduction to Industrial Design (ergonomics)
GNST 301	Special Topics in Interdisciplinary Studies
PSYC 305	History of Psychological Thought
PSYC 321	Introduction to Industrial Organizational Psychology & Ergonomics
PSYC 345	Social Psychology
PSYC 351	Developmental Psychology
PSYC 353	Psychology of Aging
PSYC 359	Atypical Development I
PSYC 365	Cognitive Psychology
PSYC 369	Sensation and Perception
PSYC 375	Brain and Behavior
PSYC 383	Personality
PSYC 385	Introduction to Abnormal Psychology
SOCI 303	Sociology of Gender Relations (SOCI 201 or consent of department)
SOCI 307	Sociology of First Nations in Canada (SOCI 201 or consent of department)
SOCI 311	Introduction to Social Statistics I (SOCI 201 or consent)
SOCI 313	Introduction to Social Research Methods (SOCI 201 or consent of department)
SOCI 315	Introduction to Social Statistics II (SOCI 311 or consent of department)
SOCI 321	Medical Sociology (consent of department)
SOCI 325	Introduction to Deviance and social Control (consent of department)
SOCI 341	Social Psychology (consent of department)
SOCI 367	Ethnicity in Social Organization (consent of department)
SOCI 373	Sociology of Aging (consent of department)
SOCI 375	Theories and Patterns of Ethic Relations (consent of department)
SOCI 393	The Sociology of Work (consent of department)
SOCI 413	Intermediate Qualitative Research Methods (SOCI 313 prerequisite)
SOWK 319	Death and Dying
SOWK 321	Social Work and Social Problems
SOWK 327	Alcohol and Drug Abuse
WMST 339	Gender in Popular Culture

ATHABASCA UNIVERSITY (Senior Social Science Options)

ANTH 499	Medical Anthropology
COMM 329	Practice of Interpersonal Communications
COMM 377	Communication and Problem Solving in Groups
CRJS 352	Victims of Crimes
CRJS 410	Special Needs Policing
CRJS 427	Civil Liberties and Individual Rights
CRJS 489	Alternate Dispute Resolution
EDPY 351	Introduction to Exceptional Children
IDRL 308	Occupational Health and Safety
INST 358	Aboriginal Women in Canadian Contemporary Society
PSYC 300	Theories of Career Development
PSYC 301	Career Development Resources in Changing World of Work
PSYC 304	Research Methods in Psychology (formerly 404)
PSYC 323	Developmental Psychology
PSYC 340	Introduction to Applied Social Psychology
PSYC 350	Adolescent Psychology
PSYC 355	Cognitive Psychology
PSYC 356	Introduction to Personality Theories and Issues
PSYC 379	Social Psychology
PSYC 381	The Psychology of Adult Development
PSYC 387	Learning
PSYC 388	Introduction to Counselling
